

The Saber and Scroll is an Online University Historical Research Society affiliated with the American Public University School System. The purpose of this organization is the promotion of historical studies through the encouragement of academic research and the development of a rigorously edited online publication; the broadening of historical knowledge among the membership that includes social communications, topical discussions, historical lectures and the pursuit of other kindred activities in the interest of history; and service opportunities to the school and community. We strive to bring students, faculty, alumni, and historians-at-large together for intellectual and social exchanges, which promote and assist historical research and publication by our members.
